Buy an Irrigated Farm FROM THE CANADIAN PACIFIC RAILWAY

BECAUSE:

Irrigation makes the farmer
independent of rainfall, and insures
good crops, not occasionally,
but every year.

Irrigation makes possible the
successful culture of alfalfa, the
king of feeders, which insures
good returns in dairying and
mixed farming.

Irrigation means intensive
farming and close settlement
with all the advantages of a
densely populated agricultural
community.

Irrigation in the Canadian Pacific
Railway Irrigation Block is no longer
an experiment, the years that it has
been tried having absolutely demon-
strated its success wherever intelli-
gently applied.

This is the most liberal offer of Irrigated Farm Land on record

To the Buying People:

THIS is going to be our first REAL SALE. The purpose of
this sale is to get in touch with every family within buying
distance of Alderson. We want to prove that we have a com-
plete line of merchandise, and can sell to you as cheap, right in
your home town, as you can buy anywhere in Canada. When
you have bought something at this sale, don't compare the sale
price with the price you have been paying. That will be much
lower. Compare our original selling price to the price you have
been paying, and see if we are not entitled to your trade.

The goods that we are going to offer at this Sale were
bought when prices were from 50% to 206% lower than they
are to-day. This sale will last ten days; commencing next
Wednesday, March, 20th, and ending Saturday, March 30th.

This Sale will include everything in the DRY GOODS LINE. Yard goods of all de-
scriptions, Ladies Waists, Hosiery, Middies, Skirts, Suits, Corsets, Comforts, Pillows, in fact,
our line is complete and we will give you a discount of 20% during the 10 days.

We have a large assortment of Boys and Mens Pants to choose from. Remember,
cotton and wool has been constantly advancing. These goods were bought before the present
high prices and with no prospect of any reduction in the raw materials in sight, you will find
these goods REAL SNAPS at our regular prices. Then when you get 20% discount, it sure
should look good. Think it over.

Hats, Caps, Dress Shirts, Work Shirts, Gloves, Hosiery, Sweaters, Rain Coats, Slickers,
in fact, most anything you need to wear.

We have always made a specialty of Shoes. We carry a very extensive line of the best
Shoes on the market. Our policy of buying well ahead, has placed us in such a position that
our regular prices on Mens, Ladies and Childrens' Shoes, cannot be beaten. It seems un-
necessary to make a reduction of 20% on this line, but we are determined to get the shoe business
of those that have not been in the habit of buying them here; therefore, we will make this
reduction for ten days to induce those to buy our shoes. Satisfied customers have proved to
be the best advertising for us. Buy a pair of Shoes, we know that you will repeat.

Overall manufacturers are talking of \$3.00 overalls before Fall. During this sale we
will supply you with Peabody and Crow Overalls at \$2.00 per pair. "Will Fit" brand at \$1.75.

YOURS TRULY,

One of the most enjoyable, and
the novel parties was given by the
Misses Cairns and Gunn and Messrs
Johnson and Williams on the 20th.
Calling it a "Hard Times" party
they wished their guests to come
dressed for the part and each one
was judged and if considered too
respectable a fine of 25 cents was
imposed on the culprit, the fines to
go to the Red Cross. Mesdames
Hegy, Irvine and Dalzell, the judges
had Sherlock Holmes backed off
the map for detecting crime, and
sum of \$5.50 was collected. Several
prizes were given during the even-
ing. Miss Russell won the ladies
prize at cards which was a tatin
guest towel, and Al Cole, the win-
ner of the gent. prize received a
dress shirt and N. Reenders a horn
because he could not win. The
poorest dressed lady, Mrs. Russell,
was given an overall apron to id
the rage, while Miss Sellos, the
best dressed lady received needles
and thread, but we think the men

were biased in their judgement on
this prize—they must have been the
overalls. With the men Fred Dixon
was given a new pair of overalls,
which he was badly in need of and
Mr. Pick a silk bank holey, so that
he might have something that was
ragged. A delicious luncheon was
served, not to mention refreshments.
About sixty-five guests were present
and the dance all went away having
had a very enjoyable time.

Red Cross Notes

CONDUCTED BY MRS. E. C. HAY.

There will be no whist drive on Good Friday, but on Easter Monday instead. Special prizes will be donated by Mr. and Mrs. Rouse. The Red Cross Society met at Mrs. Woolven's on Tuesday afternoon. It was decided to change the meeting place to the United Church, which has been kindly loaned to the ladies for Red Cross work. It was also decided to purchase a sewing machine for the society's work out of the funds. The meetings will be held hereafter on Thursday afternoons.

The Women's Institute, of Tide Lake, have sent in \$50.00 in aid of the Red Cross, through Miss J. Koopman, the secretary-treasurer. They will also, hereafter, send in to our branch all proceeds of parties, dances, etc., and also help with the sewing. We are pleased indeed, to receive this splendid donation and to know that they intend to help the Alderson branch. The Provincial branch, at Calgary, is very anxious to concentrate the work in districts where there are local branches and to link up as many of these districts as possible in auxiliary work to their local branches.

More Red Cross Badges have been ordered and will be on sale at the Alderson Pharmacy.

The Misses Gains and Guinn and Messrs Johnson and Williams were the only parties who, when entertaining, thought of the needs of the Red Cross and added much enjoyment to their "Hard Times" party on Wednesday evening, by imposing a fine of 25 cents on any guest who came too well-dressed, and the neat sum of \$5.50 was turned in to the society.

Royal district will join again this year as an auxiliary to our branch.

Many of the ladies of this district have been away for the winter, but are now returning. Much valuable assistance was rendered to our branch last year by the ladies of the Royal district.

The whist drive last Friday was well attended. Prizes were donated by Mrs P. Daniels, Mrs F. Woolven, and Mr T. Pick. Mrs Irvine and Mr Donahue were the winners and F. Daisell was the loser.

Sunny South Branch

The Ladies of Sunny South have recently have organized a Red Cross Branch. Meetings have been held each week and great interest has been taken by all. Many of our men have enrolled as members and we have a great many more to give us their names. Our boys are being wounded every day, and by assisting us in our work, in one way that all may do their part in helping those who are giving up all, and going "over there" to fight for a better world and to destroy the German menace.

The officers for the present year are:

Chairman: Mrs A. Maynard,
1st Vice: Mrs E. J. Capwell,
2nd Vice: Mrs A. F. Piel
Treasurer: Mrs F. McCauley,
Secretary: Mrs T. L. Owens.

The members of the work committee are: Mesdames A. F. Piel,

Following the concert the fancy work of the Pearsonville Ladies Aid was sold to the highest bidder. The big drive is on. This does not only apply to the war in the east, but to us farmers. Spring has come. The ground has been cleared of its white mantle; the frost is out; here and there one can see men in the fields pitching the few rocks that is left, while others are constantly looking over their ground to see if it is dry enough to work. Then is the time our big drive will begin. Never in the history of our district was there over the acreage, never were the men so determined to put every foot in crop. This will mean longer hours with careful planning to utilize every minute so that no time will be lost. Horse power will be put into effect.

E. J. Capwell sold four of his Standard bred racers last week. Ed made the remark that that he has been five years trying to get his stock up to the highest mark, so that the demand would be greater than the output, and he has reached this point. In looking over his barn, one can only find the brood mares and the babies. He is in Calgary at present, buying one of the best sires he can find.

Miss Rose McKinney returned from her visit near Rother and will take up her duties of the summer with her mother.

Wm. Jeronik has moved to his new farm which he recently purchased from Andy Christensen.

Koy Whitlock spent a few days in Saskatchewan last week. We do not know his mission, but three guesses it may be a cook.

Several stray horses have been seen in this district this week.

High water has done some damage to wheat stored in granaries located in the fields.

Mrs M. Johnson returned on Tuesday last from Devils Lake, N. D., where she has spent the winter. Mrs. Johnson reports that the farmers in that district are worried over the dryness of the ground.

Mr and Mrs Ed Ellis have moved to Redcliff, where he has secured work. Mr Ellis has rented his farm to Wm. Weir.

On Friday night last, Mr and Mrs W. Whitlock, opened their new house and invited the district to spend the evening. From reports they had a good time.

Do not forget the dance to be given in the Pearsonville school on April 5th under the Red Cross Branch.

On Saturday last, W. W. Stokes was asked to go to Alderson to assist in organizing a breeders club, under the Federal assistance. He reports a good club, and they have decided to get a ton size of the Belgian type. The farmers will soon have some of the finest horses that money can buy.

Wes Whitlock is going to put up a new barn this spring.

Tide Lake

The masquerade ball given by the Ladies Institute given for the benefit of the Red Cross was largely attended, the sum of \$45.00 being the receipts of the evening. The ladies wish to thank those who so generously helped.

The annual birthday party in honor of the Tide Lake twins was successfully pulled off on Wednesday March 24th, Mr and Mrs A. Hogeboom doing the honors. The guests were Mr and Mrs W. Hunter, Mr and Mrs A. F. Foster, Mr and Mrs B. Clark, Mr and Mrs H. Clark, Mr and Mrs G. Olson, Mr and Mrs M. Johnson, Mr and Mrs P. Pederson.

C. Silverthorn left for his homestead near Empress on Monday.

Geo. Olson is building a substantial addition to his house on his farm, where he will move shortly. Here's luck, George.

A. Hogeboom made a trip to Denhart Tuesday.

A. Foster was at Liddesleigh on Monday.

A Ford Car Takes the Place of all These Things

WHEN you own a Ford you can do away with many articles that are a source of continuous expense to the man who still drives a horse. For instance, not only your driving-horse and buggy, but the single harness, blanketing, whips, currycombs, brushes, horse-shoes, pitch-forks, feed-bins, etc.

In their place you have a speedy, dependable, dignified, roomy Ford Car—complete in itself. It is vastly superior to the narrow, cramped buggy that travels so slowly. And when a Ford is standing idle it does not eat three meals a day, and it requires no "looking after."

A Ford will save you time, trouble, and money. It is the utility car for the busy farmer and his family.
